PROCEDURE PURSUANT TO
37 CFR § 1.116**

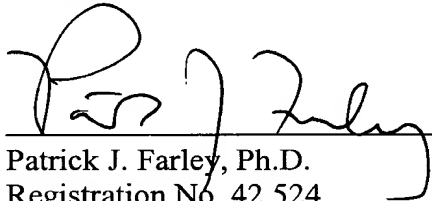

REMARKS

This is being filed in response to the Office Action dated July 13, 2004. A petition for a one-month extension of time is included.

The Examiner indicates that the rejection under the judicially-created doctrine of obviousness-type double patenting over U.S. Patent No. 6,323,024 was maintained as no terminal disclaimer was scanned into the file. Applicants herein provide the Examiner with a copy of the return postcard which indicates that such a terminal disclaimer was received. Applicants also provide another courtesy copy of the filed terminal disclaimer for the Examiner's convenience.

Applicants believe that all grounds of rejection are now removed and the application is in condition for allowance. Applicants respectfully urge prompt allowance of the claims.

Respectfully submitted,
